Dear Parents/Carers,

Thank you for another brilliant week. I know it's close to Christmas, and lots of us are excited for the break and Santa's present-bringing, but school is still so busy and there is so much amazing learning happening.

We Will Rock You!

This morning saw our first Rocksteady concert of the year. The music was amazing the crowd was fantastic. We are really proud of our Rocksteady provision and recognise how important it is for the children to have the experience of performing in front of others. The children were absolutely brilliant and performed so well to parents and children.

The Roving Bookshop

The roving bookshop was an absolute success. In just one day, £1,300 exactly was spent on books for children in our school; this means that your spending has also helped put £162 back into our pocket which we will use to spend on more books to support the children's love of reading. Reading is a big focus on our school development plan, and we will be looking to improve what we do at school to support the children's reading in the new year. Last week, I shared with you the importance of reading, and encourage you to keep reading with your child as much as possible at home.

An honest coffee with Mr. Cross

Thank you to those of you who booked a spot to come and see me, and share your views for the school going forward. It has given me a lot to think about and I will share your feedback with the leadership team so we can think about how we can continue to move Priory forward.

Thank you, as always, for your support. It means a great deal to us.

Have a fantastic weekend.

Mr. Cross
