

We **LEARN** with **PRIDE**

Priory Junior School, Priory Road, Gedling, Nottingham, NG4 3LE

Phone: 0115 952 6100

Head Teacher: Mr. J. Cross

Dear Parents and Carers,

It is my privilege to write to you for the first time as headteacher of Priory Junior School. As someone who has grown up in and around the NG4 area for the majority of my life, I am proud and excited to lead a school within the heart of a community that I love and care for.

As you will know, Priory is a wonderful place to be where we always **LEARN** with **PRIDE** and put the children at the centre of everything we do. Learning here is exciting, challenging and nurturing; I do not intend that to change. I value the hard work that you, the staff and the other leaders in the community put into providing amazing opportunities for your children and can't wait to continue this journey with you.

I will be in communication with you via the school office regularly to keep you updated on things that are happening in school, including: key dates, events and any information that you may need to know. You are welcome to contact me by via the school office on 0115 952 6100 if you have any significant questions or queries. As always, class teachers will be happy to communicate with you regarding your child and you can get in touch with us at the school office if you need any more information or clarification regarding things that are happening in school.

It has been a pleasure to welcome the children back into school this morning. Seeing the children back in their school uniform, ready and eager to get stuck in and having the buzz of children learning back in the building is one of the best feelings, and I can't wait to get started.

I will see you on the playground in the morning at the usual time; gates will open at just after 8:45AM.

Yours faithfully,

Jack Cross

Headteacher
