

Outdoor Uniform

WATERPROOFS

When we have our full waterproofs on, we can play outside in all weather and keep our school uniform dry.

WELLIES

When we have our wellies on, we can access all of the fun play areas: digging pits, football on the field, mud slides, or mud kitchens.

SPARE DRY CLOTHES

Sometimes we have too much fun and we may get muddy or wet. We need a full set of spare warm clothes on our pegs to change into - these should be school uniform or plain clothes like PE kit (joggers, socks, plain tshirts/jumpers).
