Year 6 Assessment Week: Week Beginning 23.03.2026

Year 6 Mock SATs week: Week Beginning 27.04.2026

Forest School Fun!

Some of our pupils have been loving Forest School sessions, making the most of the outdoors in all weathers. After exploring, building and learning together in the woods, we enjoyed a well-earned warm-up with cups of hot chocolate, tasty biscuits and marshmallows. There were lots of rosy cheeks and big smiles as the children chatted with friends and shared their favourite moments from the day.

Fun in Year 4

This week, Year 4 made some delicious biscuits! They created a prototype, taste-tested it, worked out a budget, chose new ingredients, and then baked their final biscuits. In previous lessons, they also designed and decorated their own boxes, thinking carefully about presentation and purpose. The children showed great teamwork and creativity and worked incredibly hard throughout the process.

In Geography, the children became researchers, investigating the causes and effects of flooding. They used their research to write and perform their own news reports, confidently sharing their findings with others. They did an amazing job

OPAL FUN

See our photo below of our new wardrobe that we have built to store all our muddy clothes in.

Some fun that was had a lunchtime, Can we build an aeroplane and airport?
When you land get your passport checked and off to the beach we go...
