Dear Parents / Carers of Years 5 and 6 children,

Following our recent letter regarding social media posts about so-called “school wars”, we would like to make you aware of three images currently circulating on TikTok, Snapchat and Whatsapp chat groups which reference “red and blue wars” and appear to be linked to local secondary schools.

We are not aware of any incidents linked to this, but as many Year 5 and Year 6 pupils are more likely to access social media and may walk to and from school independently, we felt it was important to keep you informed.

Please could you remind your child not to engage with or share this type of content online. We would also appreciate you reinforcing the importance of staying with friends where possible and travelling safely when walking to and from school.

In school, we will continue to reinforce messages about online safety and respectful behaviour.

Thank you for your continued support.

Kind regards,

Mr Cross
