How We Help Keep You Safe

If something worries you, it is always okay to talk.

What happens if you tell an adult?

- 1 We will listen carefully.
- 2 We will help you feel safe.
- 3 We may tell the safeguarding team so they can help.
- 4 We may talk to other adults who can help keep you safe.
- 5 We will keep supporting you.

You can
keep telling
until someone
helps.

You are
not alone
♡

Staying safe online

- tell an adult if something online upsets or worries you
- never share personal information with strangers
- do not meet up with someone you only know online
- block and report mean or scary messages
- tell an adult if someone asks you to keep an online secret

Be kind
Be careful
Be safe
