Working in Partnership For Success

We all agree to live by our school values of
Peace, Respect, Independence, Determination, Equality

School

Our Vision States that as a school we will:

Working together

- Work together to ensure all children are safe.
- Create a strong sense of community – all members of the community working together for the good of the children.
- Strive to ensure parents are confident that the school is ensuring that their child progresses well but also works hard to help their child to develop into a healthy, happy, caring and respectful member of society and that they feel comfortable to be part of school life and to voice their opinions and feelings.

Support and Provision

- Aim to provide effective provision, support and nurture to vulnerable pupils and their families.

Achievement for All

- Work hard towards **all children** making at least good progress from their starting points.
- Provide opportunities where children are taught how to be resilient and staff seek out opportunities to raise children's self – esteem and confidence in their abilities.

Pupil Voice

- Ensure children take an active part in school life – they are given a 'voice.'

Healthy and Happy

- Encourage children to make healthy choices. Emphasis is placed on the importance of developing good health and mental well-being for life.

Creative Curriculum

- Provide a curriculum that engages and excites and offers an appropriate level of challenge. It encourages children to be independent and curious learners.
- Ensure that there are enrichment opportunities and experiences to enhance the curriculum and enthuse the children.

Parents/Carers

As a Parent/Carer I will:

- In order to help my child gain the most of their education, make sure my child arrives at school by 8:55am prepared to start their lessons. They will be wearing named school uniform and have the necessary equipment in school such as PE kit that they need for that day.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.
- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.
- Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.
- Attend meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning.
- Support and work with you to ensure that the behaviour management policies of the school are maintained, particularly with my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with you as it is much healthier to work out solutions and move on.
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.

Homework

- Please support the school by making sure that homework tasks are completed and returned on time.
- Please use your talents and experiences to enhance your child's learning at home. Your child will benefit greatly from what you can show them, discuss with them and teach them.
