COVID 19 Home School Agreement

Dear Parent/ Carers,

Really looking forward to the return of more children into school next week. Please see yesterday's letter for the information about the arrangements for your child. Sorry if it was not clear in my letter but whatever day they start on next week the following week, the week beginning the 15th June from that Monday they can come in every day, leaving early on a Wednesday (with the exception of the key worker bubble 1 who stays all day Wednesday if required.) The bubbles are only starting on different days next week so that we can settle the routine with one bubble at a time. Their start and finish times and entrance and exits stay the same to avoid confusion.

I'm sure that your child may be anxious returning after such a long time – we will do everything we can to make them feel safe and happy. When they arrive each day there will be someone waiting at their entrance to greet them and take them into their bubble. I am sorry that we can't allow parents onto the premises without a pre-arranged appointment but this is for everyone's safety. Any queries at all please contact the office or drop us a text.

I have attached a home school agreement to reflect the different expectations due to the pandemic. Please read it carefully and discuss with your child – it will obviously not be possible to sign it and return a paper copy to school so if you could just text in to let us know that you have seen it and if you have any queries please let us know.

As always stay safe and thank you for your understanding and patience.

Kind regards

Alison Brown
