We have been enjoying the lovely weather in school this week – making the most of being outside. I am again this week so proud of all our children and how well they have adjusted to the school routine again and how hard they are working in their classes. Thank you for all your support as well with our new routines and your efforts with limiting interactions and social distancing. As we all know cases nationally are on the rise and so for everyone's safety if you are struggling to social distance at the school gate, which I know is tricky, can I suggest you wear a face covering at these times.

Our website has lots of useful information as well as class pages for your child's year group and our latest news section is the best place to find out what is new in school. Can I encourage you to visit the website regularly - <https://www.priory-jun.notts.sch.uk> Also if you have an IT device I encourage you to sign up to Seesaw – your child's class teacher can help you with signing up. In the event of any class closures access to our website and Seesaw will be helpful to you. If you are unable to access these at home please let your class teacher know so we can support you another way if we need to return to home learning.

Our colleagues at Carlton Academy have asked us to share this link with parents looking at applying for a Secondary School place as their planned open evening programme will need to run differently this year – this is the link for further information.

<http://www.theacademycarlton.org.uk/news/open-evening-application-for-school-places-in-year-7-september-2021>

We hope you have a lovely weekend – keep safe and see you next week. Mrs Brown
