It's been a busy week at Priory I am always so impressed with all the different activities that go on across the school. Year 3 have been getting to grips with speaking French and seem to really be enjoying it – I am sure some of them will have tried it out on you! Year 4 have been learning about The Mayans and their link to chocolate and enjoying Roald Dahl's Charlie and the Chocolate Factory book alongside this. In Year 5 it has all been about the planets – I love the Top Trump planet cards they have made to help them remember planet facts. In Year 6 it has been all about electricity this week – making electrical circuits which I know they have enjoyed. My thanks as always to our fantastic team for making learning so fun.

We are now well settled into our new routines and although it does mean that we can't interact with you in the way we would like we have to keep these things in place to play our part in keeping our local community safe. Please continue to follow Government guidance to 'wash your hands, cover your face and make space.' If you need to speak to me or any of the staff please get in touch by text, Seesaw or through the office phone/e-mail- we will do our best to help. Have a lovely weekend. Take care Mrs Brown

Coronavirus App – The new NHS coronavirus app has been launched to help in the fight against the pandemic. Click the link to find out more.
