As we approach a half term break I'm just making you aware of a couple of dates- coming up next week and after the half term break.

Weds 7th October – School Photo Day – individual photos will be taken in the hall – children will be coming to the hall in bubbles and the hall cleaned between bubbles and the photographer will be wearing PPE and working at a social distance. We will not be able to have any children not in Priory in to school for a photo with a sibling but please text in if you want any siblings to have a photo who are in Priory and we will arrange that following Covid safety procedures. **Year 3 have moved their P.E day for one week to Thursday so that they don't have a photo in their P.E kit!**

REMINDER INSET day – school closes for half term on Friday 16th October – school opens again on Tues 3rd November as **Monday 2nd November is an INSET day.**

Parents Evenings – due to Covid restrictions our autumn term Parents Evenings will take the format of a phone call from the class teacher. These calls will happen during the week beginning the 9th of November. We will be running a booking system for organising the calls later in the month.

We need your support

With coronavirus cases still increasing and greater restrictions being put in across parts of the country we obviously want to keep our whole school community safe and avoid cases coming in to our school. Please keep a social distance at the school gate and if that is not possible please protect yourself and others by wearing a face covering. Once you have collected your child if you can leave the area as quickly as possible this will help disperse the inevitable groups of people as quickly as possible. We also ask you to ensure that your children are observing the rules of six out of school and are avoiding meeting up in larger groups in local parks and streets. I have no wish to be always enforcing these Government rules but I also have a responsibility for the safety of our school community which I take seriously. My hope is that we can keep Priory open to all children every day and that all are safe and well -so please support us with observing the protective measures. My grateful thanks to all who are working hard to support our community. Please enjoy a restful weekend. Mrs Brown
