Thank you to all of you for your generous donations for Children in Need – it was lovely to take part in this event and it felt like a bit of normality in school- it is so sad that lots of our regular events and activities have been limited by the pandemic – we are looking forward to a time when we can start up more things again. We held a virtual Remembrance service on Wednesday and I was so impressed how respectful each class were in observing the 2-minute silence – I watched them all on the screen in my office and was so proud of them all.

Thank you to all of you who attended Parents Evening by call this week. I hope even though you were not able to come into school that it gave you an insight into how your child has settled into their class this year and an opportunity to chat to your child's class teacher.

We have obviously had the first of our bubble closures this week and we consider ourselves fortunate that this is the first time since school returned that this has had to happen. Our first thoughts in this instance will obviously always be with any of our community affected. We will also work closely with Public Health England in managing any further cases and continue to follow Government guidance regarding ensuring appropriate protective measures are in place. Please do isolate and take a test if any of your family have symptoms and keep us informed.

Wishing you a relaxing weekend – Mrs Brown
