27th November 2020

Dear Priory family and local community,

During this unprecedented and absolutely horrendous time I am sure that many of you are thinking about spending Christmas with your families and the celebrations that may involve.

Unfortunately, this will not be the case for some of the children within our family of schools and the wider NG4 community.

As you may be aware Phoenix Infant school have been running community food banks that you have all given generously to and for that I thank you from the bottom of my heart. I know that this helped not only the children of our school family but also the wider community.

Alongside the foodbank, I would like to hold a toy drive so that we can at least ensure that there will be at least one present for the children of our community. Again, this will not only be limited to the school family but to the local community also.

If you are in a position to donate a toy to the drive, please bring it to the reception and place in the donation box at the door on Monday 7th December between 9am and 11am. If you are able to donate but are unable to bring to the school, please contact me directly and I will be more than happy to meet you in a place to suit you for collection.

Thank you in advance for your donations and kindness
Sharleen Whiley
Vice-Chair of Governors
