Welcome back to school after the break – I hope you've all had a restful time. It's lovely to be back in school and we are thankful although we are in another lockdown that our children can still attend school and carry on with their learning and the routine of school.

Ventilation in classrooms – there are a number of protective measures the Government has asked us to put in place – one of them is the requirement that we keep occupied spaces well ventilated. This is obviously becoming more of a challenge as the weather turns colder – please ensure your child is dressed warmly and if they require extra layers/ an extra jumper etc that is fine to wear with their uniform. We are trying hard to meet this requirement whilst maintaining a comfortable temperature but wearing additional layers/clothing may support with this at this time.

Parents Evening Calls – week beginning 9th November – you were sent a letter last term to book a time to have a Parents Evening call with your child's class teacher. Please contact the school office if you have not done this as yet and would like to book a call.

Children in Need Day – Friday 13th November – we would still like to hold a charity fundraiser for this very worthwhile cause. Therefore, your child is welcome to come in non-uniform next Friday for a £1 donation or whatever you can spare. Have a good weekend. Mrs Brown

Letter from Corporate Director, Children and Families Notts County Council and Director of Public Health – Nottinghamshire County Council

You will receive with this bulletin today a letter from Nottinghamshire County Council reminding you of the very important role you all play in getting the Covid infection under control and breaking the chain of infection. Please read it carefully as it contains some useful reminders of the new lockdown measures and when you should be self-isolating and booking a test as well as some crucial public health advice. Please read it carefully and follow the advice given to keep everyone safe.
