It's been another busy week at Priory and we have been delighted to welcome back our Year 6 and Class Scar from self-isolation. The school had been very quiet without all the classes in school – it's just not been the same! We are very pleased that the members of our community who tested positive for Covid 19 have thankfully had mild symptoms and made a speedy recovery. Many thanks to the staff team in school for pulling together in a difficult couple of weeks and to our team having to work at home for producing an effective remote learning curriculum. We hope that we will not have to close any further bubbles before Christmas but we need to keep vigilant by ensuring that no one attends school if they have any of the Covid symptoms and if a member of your family tests positive or has symptoms that your whole household follows the self-isolation guidance fully. For further advice follow the coronavirus link on our website <https://www.priory-jun.notts.sch.uk/> As always we thank you for your support – your kind messages and patience with this difficult situation are very much appreciated as well as your understanding that the team are working under a great deal of pressure and are managing the situation to the very best of their abilities. Hope you have a good weekend. Mrs Brown

### December at Priory

**Toy Drive** -Mrs Whiley – our Vice Chair of Governors has asked me to send a letter with this week's bulletin as she is organising a Toy Drive for Christmas this year – please take time to read and consider this worthy cause.

**Christmas cards** – unfortunately we have decided to request no cards to be exchanged in school this year due to the need for different people to touch cards to exchange them and the cards crossing bubbles etc. They may be the opportunity to make cards within school within class bubbles which will be easier to manage.

**Christmas Jumper Day – Friday 11<sup>th</sup> December** – wear a Christmas jumper or a festive accessory you have at home. Donations to Save the Children fund.

**Year 3 Festive Feature** – Year 3 will be bringing some festive cheer to their parents through a virtual presentation – (details to follow)

**Tuesday 15<sup>th</sup> December** – Party Day at Priory all years (details to follow)

**PLUS – class bubble Christmas activities and hopefully a virtual message from Santa!!**
