Hope you have all had a good week and are slowly getting to grips with the new routines. I would like to thank you for your support with the home learning that has been set this week. It is early days but the staff team have been so impressed with the amount of quality work that has been uploaded to Seesaw and the engagement with any live lessons. It will really help ensure that your children keeps progressing with their learning and will make the transition back into school easier. We are a partnership so don't forget the team are available to sort tech issues, logging in problems and are available during the school day to feedback on the learning that your children are doing – please just message us through Seesaw for work and tech issues and the text system for anything else – we are happy to help. I have given out a large amount of Head Teacher awards, both in school and online in recognition of the efforts that our Priory children are making to keep learning through this difficult time – a big well done to our parents/carers and all our Priory children. Once again can I pay tribute to the whole staff team for their amazing effort in making the change to the new routines so smoothly and for the hard work they are putting into the curriculum both at home and in school and their dedication to supporting our families. I hope that everyone will enjoy a restful weekend. Take care all. Mrs Brown.
