

**Dear Parents and carers,**

We are delighted to announce that from September 2nd The Lime Trees will be working in partnership with both Phoenix Infants and Nursery School and Priory Junior School to provide a Breakfast and After School Club provision located in Phoenix Infants and Nursery School. The Club will be for foundation children up to year 6. We will be operating a 'Walking Bus' to take children safely to and from Priory Junior School which will be supported by a member of staff from The Lime Trees and a school Teaching Assistant.

**The Lime Trees**

The Lime Trees story is rooted in helping and supporting each individual family. We aim to deliver a service that we, as parents, would be proud to use. Putting parents and families first, we realise that childcare flexibility is essential for meeting the needs of modern family life. We allow parents to manage the care of their children around their schedule and not the other way around.

In the last year, we have grown to become one of the largest childcare providers in Nottinghamshire, meeting the needs of local communities across 26 sites and received 'Outstanding' grades from Ofsted.

We provide a flexible service that is now live where you can book the sessions that work best for you through our online booking system located on our website [www.thelimetrees.co.uk](http://www.thelimetrees.co.uk). You will need to register your child/children before making a booking. For more information on how to register, book your place, make a payment and general FAQ's, please visit our website or refer to the 'Parents Guide' doc attached.
