Friends of Priory

Who are the Friends of Priory?

The Friends of Priory are our parents and carers with links to Priory through their children. They organise and run social events for the children and their families in our school and community. All events are to raise money that can be used to pay for extra resources and activities in school.

In the past they have funded the buses for school trips, year 6 end of year SATS party, plus many more things.

Pre covid, we were able to continually support the school by adding extra enrichment opportunities for the children which school budgets may struggle to provide. Since returning from Covid, we need to re-establish our Friends of Priory network. Currently, we have only one parent supporting the school staff with preparing for the summer family fun event so we urgently need some help.

Although school staff will support where they can, Friends of Priory has always been run separately from the school. Being a Friend of Priory is not a long-term commitment and is extremely rewarding. The more parents/carers who are involved, the more successful the events are.

We are looking for any parents and carers who could help us with planning and running events, and there are many different ways to get involved.

We have a coffee afternoon tomorrow Friday 20th May 2-3pm. Please Pop in for a coffee and a chat with us if you are able to help. Without your offers of help we will have to look to close down the fundraising which has approximately raised around £8,000 a year previously to support the school.

Please get in touch if you have any questions or are unable to attend the coffee afternoon and would like to offer you help.
